THE FAYETTEVILLE CONVENTION.

Taking passage on board the steamer Governor Worth, with the delegates from New Hanover to the District Convention, our reporter left the city Tuesday afternoon for Fayetteville, to note for the benefit of our readers the proceedings of the largest and most enthusiastic Convention and Mass Meeting ever held for any District in North Carolina. The passage was safe and speedy, the steamer arriving with the delegation at the landing in Fayetteville early Wednesday morning. The North Carolina, with a large Bladen and Brunswick delegation on board, was passed on the river the night previous, and soon after, also safely arrived. These joined in with the New Hanover crowd, which was soon materially strengthened by the arrival of the Sampson delegation on horseback. The procession then took up its line of march for the Market House. On the way it was met and received by the Fayetteville firemen, who also joined in, making the procession half a mile long, and numbering many hundred. The Robeson and Richmond delegations arrived about the same time from another direction, overland, and the spacious Market Square was speedily crowded to its fullest extent. The town was by this time thoroughly alive, the citizens turning out *en masse*. The several delegations were then welcomed by Hon. Thos. C. Fuller, of Cumberland, on behalf of the citizens and Committee of Reception, in a neat and tasty speech delivered from the verandah on the east side of the Market House. Neat and merited compliments were paid to the several counties and their delegations, meeting with the heartiest cheers from the vast assembly. Colonel A. A. McKoy, of Sampson, on behalf of the various delegations, responded to the welcome extended through the gentleman from Cumberland. His speech was appropriate and forcible, exciting much enthusiasm, and drawing forth repeated applause. At its conclusion the assembly dispersed to partake of the hospitality of the citizens, and to prepare for the Convention.

THE HALL.

At an early hour, in company with one of Fayetteville's brightest and fairest, the reporter proceeded to inspect Farmers' Hall, in which the delegates were to assemble.—This Hall is capable of accommodating between five and eight hundred persons. For days past the ladies with skillful hands had been at work, endeavoring to beautify and adorn this spacious apartment. The result of their skill and labors was strikingly apparent. Beautiful festoons and wreaths of evergreen adorned the walls and were suspended gracefully over the platform erected for the accommodation of the officers and as a speaker's stand. On the walls the names of the several counties embraced in the District were displayed within beautiful wreaths. Flags were also tastefully arranged in various parts of the building.

THE TOWN.

In all parts of the town before the Convention met, the streets were alive with people. At Liberty Point, near the Hall, a pole-raising was going on. Capt. W. S. Norment, of Robeson, there addressed a large and enthusiastic crowd. Speeches were made in the streets in several quarters and the greatest enthusism was apparent.

[The *Journal* next publishes the official proceedings of the Convention—resulting, as our readers already know, in the selection of those gallant and able gentlemen, A. A. McKoy, Esq., of Sampson, for Congress, and Jas. C. Dobbin, Esq., of Cumberland, for Elector.

THE PROCESSION.

Wednesday night one of the grandest processions ever witnessed in this State came off in the streets of Fayetteville. The good Democrats of the town had been indefatigable in their preparations, and the arrangements were skillfully executed. Many large and beautiful transparencies were displayed among which was one as magnificent as ever seen in the State. From this principal transparency, which was drawn on wheels, fireworks were almost continually fired.—These were in keeping with the magnificence of the transparency. Large, beautiful and aspiring rockets rapidly rent the air; Roman candles were fired with spirit, and all the ingenious contrivances that the fertile brains of manufacturers have suggested were displayed. The Fire Companies and hundreds belonging to the delegations of the several counties were in line, while thousands thronged the streets and accompanied the procession, among them hundreds of fair and beautiful ladies, many of whom were in carriages. It had the appearance of a triumphal march, and God grant that it may but prove the forerunner of those grand and glorious demonstrations which will celebrate the success of the cause of truth, the triumph of justice and right, the victory over evil—in a word, the election of Seymour and Blair.

The following was the programme of speaking agreed upon and carried out as near as possible on such occasions. A few of the gentlemen named from unavoidable causes did not speak, but the major portion of them did:

At Liberty Point—Cols. A. A. McKoy, of Sampson, W. F. French, of Robeson. Exchange Hotel—D. C. Allen, of Brunswick, T. H. Sutton, of Bladen. J. C. Haigh's residence—J. C. Dobbin, of Cumberland.—Union Square—Samuel S. Ashe, of New Hanover. Dobbin House—W. S. Norment, of Robeson. W. C. Troy's residence—Hon. T. C. Fuller, of Cumberland. E. F. Moore's residence—H. C. Wall, of Richmond. H. L. Myrover's residence—A. M. Waddell, of New Hanover. Fayetteville Hotel—Col. W. L. Steele, of Richmond. J. W. Strange's residence—Robert Strange, of New Hanover. Campbellton—John G. Blue, of Richmond. A. A. McKethan's residence—J. D. McIver, of Moore.

THE HOSPITALITY OF FAYETTEVILLE.

A word in conclusion of this report about the hospitality of Fayetteville. True to the character which has always rendered the earlier inhabitants of the Cape Fear region noted through the length and breadth of this land, the good people of Fayetteville were uncessing in their attentions, unbounded in their hospitality, unrivalled in their efforts to show kindness to our delegates. The recipients of these kind attentions will never cease to remember them, and will ever bear towards Fayetteville and its noble people feelings of the highest gratitude and regard. As the greatest blessing that can be heaped upon us all, they wish them happiness, peace and security in the election of Seymour and Blair, the only peace candidates of the country.

A young lady advertised for a dressing-maid. One applied, and in response to inquiry if she was quick, she replied: "Oh! so quick, that I will engage to dress you every day in half an hour." "In half an hour!" reiterated the young lady; "and what shall I do the remainder of the day?"

Ladies who complain most that they have nothing to wear, commonly wear the least when best supplied. Miss Featherfly had a score of new dresses last week, and yet hasn't been able to get a single one up to her shoulders. The bare idea of the thing is and is not singular.

There is an anecdote told somewhere of a dispute in which a bolsterous, ill-bred fellow called his adversary "no gentleman." "I suppose you think yourself one," was the reply. "Certainly I do," said the bully.—"Then," said the other, "I'm not offended that you don't think me one."

4th—WHARTON J. GREEN, OF WARREN.
5th—M. S. ROBINS, OF RANDOLPH.
6th—W. M. ROBBINS, OF ROWAN.
7th—L. M. McAFEE, OF CHEAVELAND.

Resolved, That we approve of the platform of principles adopted by the National Democratic Convention. It falters in no double sense—its language is explicit and its meaning clear—the issues presented to the country are plainly and unmistakably defined, and, with a free and fair election, we confidently believe they will be endorsed by a large majority of the people—and with that endorsement must come such a change in the administration of the National Government as will restore the Constitution and give peace, harmony and prosperity to the country, and especially to the down-trodden States of the South.

Resolved, That it is our earnest desire and intention to bring about these wholesome and necessary changes by the peaceful means of the ballot-box—and all efforts to produce a contrary belief, coming from what quarter they may, are but the tricks of interested partizans of a desperate political faction, bent upon perpetuating its power by any means and at all hazards. They are attempting to alarm the people of this State by the false cry of revolution and war, threatening them at the same time with military force; while, in other States of the South, they have not hesitated to take from the people the election of electors of President and Vice President, and to confer it upon Legislatures the members of which were elected under military rule without freedom of choice and with no regard to the question of the Presidency, in order to secure the electoral votes of such States for the Radical candidates, in contempt and defiance of the just rights of the people of such States, and of the whole country.

Resolved, That it is our frank purpose now, and has been since the close of our late civil war, to accept and abide by, in good faith and without disturbance, the legitimate fruits and consequences of that war; to yield to the Government of the United States a cheerful submission and allegiance, and to perform all the obligations of good citizens to their rightful Government. And we do proclaim that, in taking resumption on terms of equality in that grand copartnership of States which constitutes our Federal Union, we do so with no hostile intent on the contrary, we wish to share its benefits and its duties; to rebuild our waste places under the protection of its flag; to re-establish the old era of good feeling in our common country (to thwart the designs of unpatriotic men everywhere, who seek to perpetuate discord and division; and to participate in the blessings, as well as the burdens, of the government.—*Resolutions adopted by the State Democratic Convention of North Carolina, Aug. 14, 1868.*

THE MAINE ELECTION.

The result of the recent State election in Maine is before the people. While the result is more adverse than we could have wished, it is really possessed of but little political significance. This is generally conceded. New England is the indigenous home of Radicalism, and millions of money have been spent in the effort to stay the tide of reaction.

It is no fair criterion to compare the present vote with that of the last year. The election of last year in Maine was peculiar. A Radical Legislature had passed a most odious liquor and constabulary law, which disgusted a very large portion of the people. So high did feeling run against it, that a few Republicans voted with the Democrats, while thousands did not vote at all. This was made the chief issue of the canvass.—The result so startled the Radicals that the new Legislature, at the session last winter, amended the law so as to eliminate its most obnoxious features, in the hope of regaining for their party the votes it lost last September. An examination of the vote since 1864, as given in the following table, will present the matter in a clearer light:

	Dem.	Rep.	Rep. maj.
1864	46,403	65,583	19,180
1865	31,609	54,430	22,821
1866	41,947	69,637	27,690
1867	45,990	57,832	11,842

Wait until the great States thunder in October. We feel every assurance that they will range themselves overwhelmingly on the side of Seymour and Blair, Peace and the Constitution!

The *Standard* some time since offered to bet a box of cigars that Grant and Colfax would carry the Sixth Congressional District. The *Old North State* is authorized to accept the bet, and to wager further that Seymour and Blair will carry the district by a larger majority than Boyden carried it by before. Our information from the District is of the most cheering character.

THE MOUNTAIN DISTRICT.—A letter from Col. L. M. McAfee, Elector in the Mountain District, to the *Charlotte Times*, says that the fires are kindled in the mountains, and the light radiates every corner and glen.—The result is large and constant accessions to the white man's party. The gallant Durham will be triumphantly elected, and the Districts go largely for Seymour and Blair.

RADICALISM AND ITS PRACTICES! LET THE PEOPLE READ!!

The new Radical State Constitution, under which we live, has virtually destroyed the balance of power in the legislative department of the government, and turned the State over to negro rule, so that there is no protection of the property of the 8 ate or settled industry. The negroes have no fixed system of labor; they have no property, and there is no likelihood that they ever will have. They work from place to place, and have no settled purposes; yet they control the State by their 75,000 votes. They care not for public expenses; they pay comparatively no taxes, and they have no capacity to understand measures of political economy, if they were disposed to be governed by them. What is worse than all this, they have placed themselves under the lead and direction of the worst men of the country.

Then, this new Constitution has absolutely abolished our judicial system, confessedly the cheapest and best in the United States, and have adopted one so complicated that one-half of the lawyers of the State can hardly understand it. The people never can or will understand it, and it will cost, at least, three times as much as the old system. This is true, as any intelligent lawyer will state. What is worse, it has made our Judges all politicians. It was predicted this would be the case in the course of time, but it turns out that most of the Judges have become politicians already. The Chief Justice, (be it said to his everlasting discredit,) has come out boldly in a published letter for the Radical party, and one of the Associate Justices made a speech at a Radical celebration, on the 4th. of July last, and is publicly announced as the leader of a Radical celebration to be held in this city, on this very day. The other Judges of the Supreme Court joined actively and violently in the canvass before the late election, as did most of the Radical candidates for the Superior Court bench.—Only the other day, a Radical Judge, at the Court in Greensboro', told the Grand Jury that he was a *party* man, and he proved it by adjourning the Court and making a political harangue to a mixed assemblage of whites and negroes! What the consequence of this is to be, the plainest man must be able to see.

This party and its leaders openly defy the Radical Constitution itself and the laws made under and recognized by it.—One of the first acts which the so-called Chief Executive did, was an attempt to turn out the Mayor and Commissioners of the City of Raleigh, directly in the face of the Radical Constitution, which he swore he would support; and he tried to get the military to help him to accomplish his purpose, and was foiled in his effort, only for the lack of sufficient force. He then got the *Radical* Legislature to pass an act drawn up by a *Radical Judge*, giving him power to remove all the officers of the cities and towns in the State, and giving *him* power to appoint new ones. This was done in violation of the spirit of the Radical Constitution and the rights of the people to elect their own officers. It was a direct and intentional abridgement of popular right and liberty, and was intended to show the people what the Radicals *could do*, and to humiliate and injure the people of the cities and towns. The appointments made prove this beyond cavil. It is safe to say that nine-tenths of the appointments made are of incompetent, irresponsible and offensive persons.

Then again, on the 4th. of July last, the Radicals (four fifths of them present being negroes) had a celebration in this City, and the expense of the concern amounted to some two or three hundred dollars. This same Chief Executive, *so-called*, drew his warrant on the State Treasurer for the amount of expense, and the Treasurer paid the amount, as he reported to the Legislature. Now this "Governor" had no more right to order the payment of this bill of expenses than *we* had. It was done without any lawful authority; there was not even a *Radical* law authorizing it.

Then again, the room on the first floor in the north-east corner of the Capitol was set apart, by act of the Legislature, for the use and purposes of the Supreme Court. Its library, records and fixtures were there and had been there for more than twenty years; they were there by authority of an express *Statute*. What do we see? Without any lawful authority, the Radicals in the Capitol remove the Supreme Court library and records up into an inconvenient and remote room in the *third story* of the Capitol—and for what? To enable them to fix up the *Supreme Court* rooms, so made by statute, for the "carpet-bag" Superintendent of Public Instruction, to gratify his consummate vanity and vulgar and ridiculous pretensions. As a consequence, the Supreme Court library and records were thrown into an utter state of confusion and the records never will be or can be properly regulated again. All this in wilful violation and contempt of *law*.

This same Radical Chief Executive, under the law, appoints directors and agents, to represent the interests of the State in the public corporations. In violation of the spirit of the law, he has, in a large majority of instances, appointed irresponsible and incapable persons, who had no personal or pecuniary interests in such corporations, and, in some instances, he has appointed persons from *other States* to represent the State's interest in these corporations. This was probably done in the interests of foreign or Wall Street capitalists.

This same Radical Legislature, it is said, kept a free drinking establishment in the Capitol, during the sitting of the Legislature, and several hundred dollars were appropriated to pay *contingent* expenses.

This same Radical Legislature used the funds of the State to pay enormous postage bills, created to flood the State with Radical documents. This was unheard of in North Carolina, before the days of Radical rule. But what matters it to these irresponsible Radicals? They pay no tax and care nothing for Constitution and law.

Then this same Legislature pays its presiding officers $10 a day each, and its members $7 a day each. This is five times more than four fifths of the members ever made in the world before, in the same time, and such charges were unjustly high, and without a parallel before the war.—Two thirds of the members of this Legislature did not pay for their whole expenses, while here, exceeding $1,50 per day, and yet they get $7 a day. What matters this to them? They pay no taxes. This same irresponsible Legislature has been guilty of like gross and reckless extravagance in every other respect. They have increased the public debt *ten millions* of dollars since the close of the war! What of that?—They pay no taxes! Who prompted their extravagant appropriations? "Carpet-bag gers" and Wall Street men! Who will manipulate the State bonds, when issued? "Carpet-baggers" and Wall Street men!—What do or need they care? They pay no taxes and are not responsible. And a Radical, the President of the late Constitutional Convention, charged, as we learn, at Statesville, the other day, that these large appropriations were *paid for by Wall Street and foreign capital*; in other words, that the Legislature had been *corrupted* and *bought!* We suppose this could surprise no body.—What need the Radicals care? They pay no taxes!

Then, at the special instance of the Radical Chief Executive, and the "carpet-baggers," this Radical Legislature passed what is called a *militia* law, authorizing this Radical Chief Executive to organize a *Police Force*, so-called, under certain regulations, to the number of 6,000 men, at an untold expense. AND FOR WHAT? It is manifestly for the purpose of controlling the Presidential election in November and organizing a Radical army to prevent a restoration of the Constitution, if the AMERICAN PEOPLE determine that this shall be done by and through the election of the Conservative and Democratic candidates for President and Vice President. This bill, authorizing this Radical army of 6,000 men, is in palpable violation of the Constitution of this State and the United States and the laws of the United States. There are judicial decisions expressly settling the Constitutional question involved, but it is *manifestly* violative of the Constitution, as *any one* may see, by an examination of its provisions. This opinion was expressed by a distinguished lawyer and Union man in this State, and his opinion was mentioned to the Radical Chief Executive. He only expressed *contempt for this opinion of a life long defender of the Constitution and the Union*, and a man whose legal opinion will rank with the highest and ablest in the Union. But what matters it, that the act authorizing this Radical army of 6,000 men is unconstitutional, and in every sense unlawful, and calculated and intended to precipitate a war of races?

This Radical Chief Executive and his party friends don't care! They have a contempt for the Constitution! They go for the Radical, Unconstitutional Congressional Policy! They go for this, at all hazards, *provided*, always, they can get out of the way of personal harm, and fill their pockets with the hard earnings of the industrious and meritorious people of the State!

Now all these charges are incontrovertibly true; they can be established in any Court of Justice, if there were a way provided to establish them there, and most of them are matters of historical notoriety.

Then, we repeat, *there is danger*, unless the business and laboring classes, and all classes, of the country come *at once* up to the help of the country, and to save the Constitution from absolute destruction. If this is not done our government is gone; there is no hope of the future, and we may, with perfect certainty, anticipate *anarchy, despotism, and all the horrors of the French Revolution.*

The people CAN save the Constitution and the life of the Union. *Will they do it?* If they do, they must put down and suppress RADICALISM AND RADICAL RULE!

RADICAL CONSISTENCY ON SUFFRAGE.—Rhode Island furnishes the most practical illustration of the Radical doctrine on the suffrage question to be found anywhere.—In peace or war, in good or ill, in triumph or defeat, Rhode Island is always on the side of cant and snivel.

In Rhode Island, no citizen of foreign birth is permitted to vote, unless he be the owner of unincumbered real estate to the value, at least, of $134, Education, intelligence, personal character or social standing, military services, business interests, or the ownership of personal property, are of no account. Nothing, in the opinion of Rhode Island Radicalism, will remove the curse of having been born under a different flag, and fit the unhappy mortal thus cursed to be a voter, but the ownership of $134 worth of land in the loyal State of Rhode Island!

Yet the loyal men in Rhode Island say that emancipated negro slaves ought to vote, though too ignorant to tell their own names, because they "fought nobly!" And no negro in the South is so besotted or ignorant, that the *loyal*, Radical State of Rhode Island would not receive his vote! What say the Irish and Germans to this?

DEATH OF H. C. JONES, ESQ.—We are pained to learn that Hamilton C. Jones, Esq., of Rowan, died in Morgantop, on Thursday evening last, in the 71st year of his age. Mr. Jones was born in Greenville, Va., in 1798, and was educated at the University, where he graduated in 1818. Mr. Jones filled many useful public stations, and was for a long time connected with the Press of the State. As a humorous writer he was known the whole country over, and his "Cousin Sally Dillard" has had a reputation in that line equal to Longstreet's best. In social and domestic life he was possessed of many of the most admirable qualities.

THE GOLDSBORO *Rough Notes* has a fresh record of outrages by the negro troops stationed in that town.

OUR CARPET BAG CONGRESSMEN

The following, taken from the Indianapolis *Sentinel*, a leading paper in Indiana, is severe upon Mr. Dewecse. Of the facts, of course, we know nothing, but if the accounts which we hear Mr. D. has given of himself to parties here be true, it requires no greater credulity to believe his own account of himself than those given of him by the Indiana paper. We certainly cannot vouch for Dewcese or for the Indiana paper:

A GENUINE CARPET BAGGER.

Capt. John T. Dewcese, formerly of Pike county, and then of Indianapolis, is a carpet-bag Congressman from the State of North Carolina. He is a fit representative of the class. He had to get out of the 24th Indiana, in which he was a lieutenant, on account of some money difficulties, the "boys" charging that he had rather loose ideas of *meum* and *tuum*. He then joined the Fourth Indiana Cavalry—the 77th regiment—and was Captain of Company F.—He left the company at Bridgeport, Alabama, in 1863, having resigned on account of the *leprosy*, as he alleged. While he was in the service, the Captain captured, or, as the boys of his company say, "cabbaged," two or three horses, which he sent to Indiana, and had pastured on a farm belonging to his father-in law, two miles and a half from Evansville. One of these horses was a race horse, dark chestnut sorrel, which was captured at Lebanon Junction, Kentucky; the other was a fast pacing pony, clay-bank, which was captured out of a man's pasture, back of Shepherdsville, Kentucky. It was the duty of Capt. Dewcese to have turned these horses over to the Brigade Quartermaster, for the Government, but Dewcese knew a trick worth two of that! We would like to know of the Captain what he did with these horses, and whether he has got well of the leprosy yet, and what kind of leprosy it was, for the "boys" tell strange stories, and will indulge in hearty laughs about it, unfeeling wretches as they are!

After leaving Pike county, the Captain engaged in business here, failed in a short time, took the benefit of the bankrupt act, and swindled his creditors as it is alleged. He was next heard of in business at Vicksburg, Mississippi, where he again failed, again took the benefit of the bankrupt law, and again swindled his creditors, as it was alleged. The war being over, and his leprosy cured, he procured a commission in the regular army, was sent to North Carolina, and the next heard of him, lo and behold, he took his seat in the House of Representatives as a member of Congress!

And of such are carpet-bag members from the Southern States under negro and bayonet rule!

For the Sentinel.

RADICAL SWINDLING AND VIOLATIONS OF LAW.

YANCEYVILLE, Sept. 12th, 1868.

Editors Sentinel:—All the communications received at this office from Shaffer, Register in Bankruptcy, and the Sheriff of Wake, are enclosed in envelopes franked by John T. Dewcese, M. C., and I furnish you with proof sufficient to convict them and Dewcese of a violation of the 13th Chap., Sec. 262, Page 65, of the Post office Regulations.

And, further, J. Lash, M. C., from this District, furnished Wilson Carey and Geo. Rowe, negroes, and John W. Stephens, white, with large packages of his franked envelopes, and Stephens sent his private letters to this office in these envelopes. But our postmaster informed him that he was not a M. C. and could not use Mr. Lash's franking privilege.

These loil rogues should be exposed, and I want Mr. Starbuck's attention called to these violations of the law. He can have the name of the witnesses, whenever he wants them. W.

OFFICIAL CORRUPTION.—The Hon. Jere. Black, in a recent address in Pennsylvania, said:

"We have the most corrupt Government on the face of the earth. I cannot speak with perfect accuracy, but I believe I am within reasonable bounds when I tell you that a thousand millions would not cover the frauds committed since the close of the war. We have the heaviest debt that the industry of any people ever struggled under without being totally crushed, and it is increased instead of being diminished.—We are taxed enough to keep the Government running and to pay off the whole debt in ten years if the money were honestly applied. But one-half the internal revenue imposed by the Federal Government, and collected from the people, is stolen before it reaches the treasury, and the other half is squandered by Congress in schemes of the most extravagant corruption. Before the war our current expenses were less than *seventy-five millions* of dollars; now they are nearly *four hundred millions*, besides the interest on the national debt, and without counting what is stolen *in transitu*."

DISTURBANCE.—After the Radical meeting last night, many of the negroes in attendance thereon followed the band down the street, and for some time kept up a most intolerable yelling at the corner of Second and Market streets. A difficulty there occured between the bar keeper of a saloon in that quarter and a negro, during which the former threw a glass at the latter, striking him on the head. The police then appeared on the spot and made the arrest of the bar-keeper, but the negroes congregated outside were so threatening in their conduct that he could not be brought out in some time. He was finally carried to the guard house, followed by a troop of violent negroes, who were exceedingly disorderly and threatening in their manner. The Mayor, *pro tem.*, soon after arriving, caused the crowd to disperse. How long the forbearance of our people will submit to be so taxed, is now the question.—*Wil. Journal*, 15th.

A Grant and Colfax Club has been formed in Cincinnati, under the name of "Carpet Baggers." Now let another be started of the name of the "Butler Spooners," or the "Sheridan House-Breakers," or the "Kilpatrick Woman Flankers," or "Female Wardrobes," or the "Neal Dow Piano Snatchers!" All these names are in harmony with "Carpet-Baggers," and all are excellent names for Grant and Colfax Clubs.

A CONTRAST.—To see the late Judge, Robt Gilliam, in the bar, *practising* law, before such a Judge as Mr. Watts *really is*. The contact with such gentlemen as Gilliam, Bragg and Moore, may be vastly beneficial to his Honor, but what must *he* be to them? However, he is doing his best. He then deserves our sympathy and support.—*Henderson Index.*

"LOYAL" VIRGINIA.—There has been a negro riot at Drummondtown, Accomac county. Several hundred negroes were routed by fifteen white men. "And the colored troops fought nobly." One negro was killed while robbing a store.

Mr. Pendleton has reconsidered his determination not to speak in Illinois during the present month, and will make addresses at Centralia on the 15th and Springfield on the 17th.

R., and is certainly one of the most beautiful situations in Eastern Carolina. I deem further description unnecessary, as no one would purchase without looking for himself. Come and see growing crop, without fertilizers or compost.

TERMS:—$2,000 cash, (currency,) and 100 bales of Cotton, (425 lbs. per bale,) payable in three annual instalments, with interest computed on Cotton at 15 cts. per lb. I have no hesitation in saying that I believe 100 acres in Cotton will pay the entire Cotton in two years. It is a rare chance for a good investment. Such property is seldom put in market. I am not confined exclusively to the above terms. The subscriber or Mr. Edmundson will take pleasure in showing the property to those wishing to purchase.

NEW GOODS! NEW GOODS!

AT HOME AGAIN!!

WITH A HOUSE RAMMED AND PACKED FULL OF

NEW FALL AND WINTER GOODS,

FOR

1868.

COME TO

A. CREECH'S!

For Ladies' Goods! For Gentlemen's Goods! For Misses' Goods! For Boys' Goods! Ditto for Children!

MY STOCK IS LARGE AND VERY COMPLETE. Allow me to say that you see some very strange advertisements. Some say they bought goods before the rise—some after the decline—some just in time—some to luck again—some buy goods cheaper than anybody else—some selling goods at unprecedentedly low prices—some controlling the trade &c, &c., and all such stuff. What a lucky set of individuals!

Now just let ME tell you, that there is more humbug than poetry in all this. Don't every man, woman and child know that it is humbug—large enough to be seen even with one eye shut? So let them talk, puff and blow, but sayer, LOOK OUT! HANDS OFF! and show your good judgment by

COMING TO CREECH'S

to buy your goods. I intend to run through this campaign with my motto, to give each and every individual value received for their support!

A fine opportunity for the ladies to exercise their insatiable rights, as well as the gentlemen. Don't stop until you COME TO CREECH'S. You will find me at R. Smith's corner, attending to my business, always ready to give you the worth of your money.

STATE OF NORTH CAROLINA.
TREASURY DEPARTMENT,
RALEIGH, Sept. 14, 1868.

To the Sheriffs of North Carolina:

Information has been received at this Department, that an opinion prevails that the time for settlement by you of the state taxes for the present year has been prolonged to the 1st of January next.

I deem it my duty to inform you that no such extension has been made, and that you are bound by existing law to pay the State taxes, now due, into the Public Treasury prior to the 1st day of October next.

Unless payment shall be made, I am required, at the first Superior Court of Wake County, after the default shall have occurred, to move for judgment against delinquents for the full amount of state taxes due, deducting nothing for commissions or insolvents, but adding one thousand dollars penalty.

The next Superior Court of Wake County will begin on the 5th of October next and continue two weeks.

TICKETS! TICKETS!!

Our friends throughout the State must be sure to have tickets enough for every precinct, at the approaching election. Let each county supply its own tickets and order them in good time.

FINE CLUB.—We make our warm acknowledgements to W. F. McKesson, Esq., of Burke, for a Club of *thirty five* subscribers to the *Sentinel*.

THE UNIVERSITY.—We learn that a detachment of *negro troops* has been sent up to the University. This foreshadows the future of that time honored Institution, and is a wanton Radical insult to the memories of Caldwell, Mitchell, Phillips and Swain.

OUR CIRCULATION.—Having occasion to make up a set of new mailing books, we find, as far as the work has progressed, that our Weekly alone goes to 349! Post-offices West of Raleigh. At many of these offices, our list embraces from ten to forty names. Few papers in the South, we imagine, have so diffusive a State circulation.

UNION COUNTY.—Messrs. Walkup, Austin, Covington, Wyatt and McAuley are doing noble service in this county, and there is every present prospect that it will be thoroughly redeemed in November. There will be a large mass meeting at Monroe on the 24th., and at Col. Trull's, on the 22nd. of October.

JUDGE OSBORNE.—We are gratified to learn that this gentleman, one of our Electors for the State at large, has gone to Ashville and the Western part of the State, for the purpose of addressing the people.

W. M. ROBBINS, Esq.—This gentleman, Elector for the Sixth District, addressed the people of Catawba, at Newton, on Monday last, with telling effect.

RADICAL DEMONSTRATION.—According to appointment, the "great" Radical Mass Meeting and Barbecue will come off to day, in this city. At this writing, there are indications of a very large gathering of negroes. The facilities afforded for their transportation by Stanly, Extra Billy & Co. are very extensive. We hope the demonstration will be conducted with decorum, and that the public order will not be disturbed.

THE TWO JOES.—Prince Joseph and New Hampshire's third Senator went up to Baden Station to speak, on Tuesday last. The Wilmington *Star* says that, upon their arrival, they found a large and intelligent crowd of *five* negroes.

They went thence to Fayetteville, and were received by an enthusiastic crowd of 100 darkeys, most of whom were women and children! Hurrah for the two Joes!

RECEIPT IN FULL.—Mr. Wm. Sugg, of this City, announces his repudiation of the Rotten Radical party in the following pithy and pungent style:

RALEIGH, Sept. 14th. 1868.

Received, of the Radical-Rebel-Republican party of North Carolina, despotism in lieu of liberty; negro supremacy, in lieu of equal rights; the administration of political injustice, in lieu of legal justice; increase of taxation, in lieu of decrease of taxation; universal ruin, in lieu of prosperity; no money instead of much money promised; everything bad and injurious, in lieu of things good. And having quit the rotten concern forever, this shall be, at law and in equity, in Redman's, Tourgee's or Watts' Court, or the Freedmen's Sideboard, a clear receipt and quit claim for all and every claim which I, or any other decent man, may have upon them, scallawags and carpet-baggers excepted.

Given under my hand and seal, at Raleigh, the 14th. day of September, A. D., 1868, and in the year of our Independence the 93rd. and of Holden's carpet-bag, scallawag military reign, the I.

WM. SUGG.

In pursuance of previous notice, a large number of white men assembled at Davis' Store, on the 12th. inst., to organize a Seymour and Blair Club for the "Council District," when, on motion of Pheling Ellington, Esq., the meeting was called to order by the appointment of Joseph Stone, Esq., as Chairman, and T. B. Lasater, as Secretary.

Henry A. London, Jr., Esq., was then called upon to address the meeting, which he did to the satisfaction of all, most ably and eloquently discussing the great issues of the day.

On motion, the Chairman appointed the following gentlemen as a Committee to nominate officers for the Club, viz: C. P. Stone, N. S. Clark, John Knight, T. B. Lasater and A. T. Lambeth, who reported the following names: P. A. Davis, President; Thomas Womble, Pheling Ellington and C. P. Stone, Vice Presidents; A. T. Lambeth, Secretary; James Horton, Recording Secretary; T. B. Lasater, Treasurer.

On motion, the Secretary was requested to forward a copy of the proceedings to the *Sentinel*, for publication.

A Convention of the Democrats and Conservatives of Lenoir County was held at Kinston, on Saturday, the 14th inst.

On motion of Maj. W. A. Holland, R. Wallace, Esq., was called upon to preside, and Capt. Allen Croom was requested to act as Secretary.

The Chairman explained the object of the Convention.

On motion of Maj. W. A. Holland, the Convention approved the proposition to hold a District Democratic Convention at Newbern, on the 17th inst., for the nomination of a candidate for Congress, and authorized all Democrats and Conservatives, feeling disposed to attend the Convention, to do so as delegates from Lenoir.

On motion of Mr. Jesse C. Kennedy, the delegates were requested to present the name of James H. Dibble, Esq., to the District Convention, as the choice of the County for Congress.

Mr. Dibble was called upon for a speech and responded briefly, but pointedly.

On motion, it was resolved to send the proceedings of the Convention to the Newbern *Journal of Commerce* and the Raleigh *Sentinel*, for publication.

On motion, the Convention then adjourned.

ROCKINGHAM.

Pursuant to previous notice, a public meeting was held at Stone's Store, Rockingham county, N. C., for the purpose of organizing a Seymour and Blair Club. The object of the meeting being explained by Col. Richard Johnson, Dr. R. H. Scales was called to the Chair and Wm. A. Mitchell was elected Secretary, *pro tem.*

The meeting proceeded to elect the following permanent officers, viz:

Maj A H Galloway, President; P M Stone, Esq., A J Carter, Esq., and Capt E P Barnes, Vice Presidents; F J Stone, Recording Secretory; Col Richard Johnson, Corresponding Secretary; N H. Dodd, Esq., Treasurer; A D Barnes, D M Mathews, Roland T Harriss, Jones W Roberts, H C Dandridge and Wm A Mitchell, Executive Board.

On motion of Col. R. Johnson, it was agreed to request the *National Intelligencer*, Greensboro *Patriot* and Raleigh *Sentinel*, to publish the proceedings of the meeting.

Gentlemen then came forward and registered their names as members of the Club.

Our Club, though recently organized, numbers 92, which we think doing remarkably well for a country place.

On Saturday, the 29th day of August, there was the largest concourse of people ever seen at Stone's Store. Able and effective speeches were made by Col. Robert Ward, Capt. John H. Dillard, General A. M. Scales and Hon. Jones W. Burton. Good order and much enthusiasm and unanimity of feeling prevailed.

T. F. STONE, Secretary.

AN INFAMOUS THREAT—RADICAL DESPOTISM.

MESSRS. EDITORS:—To give you some idea of Radical Despotism, please read the enclosed. The young man, to whom it was addressed, is an orphan and was frightened into the miserable League. He became lukewarm in his affections for his Red String brothers, and this is their threat. He has left the rotten thing and joined a Seymour and Blair Club:

Mr. J. A. Moody:—Yer haf to attend on Thursday evening, at School House, or go to *Jails*. We have the power to do so.

N. C. WILSON, }
WM. C. WISE, } Com.
S. C. WILSON, }

I have copied it word for word and according to their spelling.

We are working in Burke, and will give a majority for the Democracy. One of the signers of the enclosed was a member of the Legislature, *Samuel C. Wilson*. Please print it.

ANOTHER WINDMILL SQUIRE.—The white men down in Camden are so disgusted with Holden's sable Windmill magistrates, that if you call one of them by the title of *Squire*, he will fight *instanter*. A correspondent furnishes us with the following incident in that county:

"*Sambo* whipped his wife the other day, and, in her indignation, she applied to *Squire Cuffee* for a paper, (peace-warrant, I suppose,) to make Sambo behave himself; but the Squire did not understand the *facts ob de case*. Nor did he know whether *dat* crime come under the *Konstitooshunal Konsekun*, as he called it. He called upon a neighbor for light on the subject, and the consequence was, Squire Cuffee called out a guard of his own shade, and served a *warrant for high treason* on Sambo and attempted to arrest him and take him to jail! But Sambo did not intend to allow any thing of the kind; so, posting himself in his door, he threatened to shoot Cuffee, if he came towards him. Sambo got his *Irish* up and told the Squire that he had become a fool since he was in office, now thought he was "some," but he, nor any other d—d black nigger, could carry him to jail. He asked why the white folks did not do the county business like they always had; that no nigger should rule over him; but, if a white gentleman came to arrest him, he would go without a murmur.

Squire Cuffee retreated in good order, leaving Sambo to rule his own family and to chastise its refractory members."

"STUBBORN."—Col. Dockery, while in a group of what he thought simon pure Radicals, in this city, last Saturday, was asked what news he had from Richmond and adjoining counties. Unsuspectingly Oliver admitted that the "leaguers were very stubborn," that a good many were withdrawing, and that if "we do as well as we did before we will do very well." A Democrat who happened in the crowd heard the conversation, and he says Oliver was decidedly blue.

Our accounts from the upper portion of the District *agree with Col. Dockery's*. The Leagues *are* stubborn—stubborn as mules—and before the 3d of November, there will not be a hide left for the "tanners" to operate on.—*Wil. Star.*

Gaff ld says that Grant will secure peace by "a little piece of triangular steel, called a bayonet." Seymour's weapon to secure national peace and prosperity is "a little piece of white paper, called a ballot."

Gen. Slocum heads the electoral ticket in New York, and Gen. Franklin in Connecticut. No braver men served in the war, and yet, according to the Radical record, all are copperheads, rebels, and traitors.

DEMOCRATIC GAIN.—*St. Louis*, Sept. 11. The charter election in Alton, Ill., on Tuesday, resulted in a Democratic victory. The vote shows Democratic gains.

An old gentleman of Covington, Ky., says he has chewed eighteen hundred and twenty-five pounds of tobacco, costing $1,048 50, during the last forty-two years.

Six hundred bales of cotton passed through Macon, Georgia, last week.

Coolie labor is talked of in the Cape Fear rice regions.

Savannah has thirteen lines of steam navigation.

It is said that Gen. Breckinridge has determined to apply for pardon.

The Catholic Clergy of St. Louis denounce Planchette as an abomination.

WASHINGTON, Sept. 15, P. M.

The following is the first action under recent orders to Gen. Buchanan:

"WAR DEPARTMENT,
Washington City, Sept. 12 1868.

To the Commanding General of the Department of Louisiana, New Orleans, La.:

Brevet Major General Hatch Assistant Commissioner of the Freedmen's Bureau, reports that there is danger of an assault upon a torch-light procession in New Orleans, to-night. You will so dispose and employ the force under your command as to preserve the peace.

Please acknowledge the receipt of this dispatch.

JNO. M. SCHOFIELD,
Sec. of War"

Gen. Rousseau has been assigned to duty under the brevet rank of Major General. Buchanan resumes his rank of Brevet Brigadier General, on Rousseau's arrival in the Department of Louisiana. Gen. Buchanan will command the District of Louisiana, under Rousseau.

The following has been issued:

WASHINGTON, Sept. 15, 1868.

The President of the Senate and the Speaker of the House of Representatives, by a resolution of Congress adjourned their Houses until the third Monday of September, and on that day, unless otherwise ordered by the two Houses, they were directed to further adjourn their respective Houses until the first Monday of December.

In accordance with the request of the Republican members of the Fortieth Congress, the undersigned decide, and respectfully recommend, that there be a full attendance of both Houses on the 21st. September. It is not expected that a general Legislative business will be entered upon at that time, or the session will be longer than to provide for another adjournment.

It is important that there should be such a general attendance of members as will secure the presence of a quorum in each House

THE
UNIVERSAL
LIFE INSURANCE COMPANY,
NEW YORK.

Office, No. 69, Liberty Street.

The Original Joint Stock Life Insurance Company in the United States.

The business of this Company is EXCLUSIVELY confined to the insurance of first-class healthy lives.

THE DISTINCTIVE FEATURE

of the Stock system of Life Insurance, as opposed to the MUTUAL, is a low rate of premium for a stated sum assured, which is IMMEDIATE, SECURED, and CERTAIN; in lieu of a high rate of premium for a promised dividend which is DISTANT, CONTINGENT, and UNCERTAIN; this so-called dividend being merely a return of a portion of the excessive and unnecessary premium charged in the first instance.

ILLUSTRATION.

Suppose that an individual aged thirty desires to devote $200 a year for the purpose of effecting an insurance on his life; this amount will immediately secure him in the "Universal" the sum of $11 751, payable on his decease. This sum, paid to a Company charging the ordinary mutual rates, would secure him the sum of $8,474.

The difference between these sums ($3 277) is exactly the same as an immediate bonus or addition to the policy to be paid by the former office to the holder of the policy in case of the early death of the insured. It is true that if the insured, in an office charging high rates, *live long enough*, and have his periodical dividends added to his policy, the sum may equal or surpass that above named; but it must not be forgotten that the *chance of early death* is the very thing the applicant desires to insure against, and consequently the greater the sum immediately secured, contingent on this event, the greater the advantage to the policy-holder.

To illustrate the importance to the policy-holder of low premiums in more general terms, it may be stated that by a reduction of *twenty-five* per cent in the rate of premium, the same amount of money will secure a policy *thirty-three and one-third* per cent greater, and likewise that a reduction of twenty-five per cent. in the rate of premium is precisely equivalent to an *annual cash dividend of thirty three and one-third per cent., payable in advance*, or to a dividend of *forty-five per cent*, payable at the end of five years.

By the *Stock* plan the *full cash effect* of the premium is *immediately* secured to the insured, the Company taking *all* the risk. By the *Mutual* plan, the full value in insurance of the premium paid is *not* secured to the policy-holder, who takes a portion of the risk himself.

Rates to Secure $1.000 at Death.

Policies issued at rates less than those charged by Mutual Companies, *guaranteeing a reduction of fifty per cent* of the premium after the third annual payment.

The undersigned having been appointed General Agents for the States of North and South Carolina, for the above STERLING Company, desire Agents in all the principal towns and sections in said States. NON-FORFEITING CASH RATES
OF THE
ÆTNA LIFE INSURANCE COMPANY,
OF HARTFORD, CONN.

ASSETS, $10,000,000.

$130 to pay every 100 of Liabilities.

DIVIDEND, Fifty per Cent.

57,000 Members, and constantly increasing.

DESCRIPTION OF POLICIES.

First.—Whole Life Policies.

Second.—Endowment Policies, for terms of ten, fifteen, twenty, twenty-five, thirty, and thirty-five years.

AGES.

Insurance will be granted at all ages from fifteen to sixty years.

PREMIUMS.

Premiums are payable annually during the continuance of the insurance, or annually during a period of five, ten, fifteen, or twenty years within the insurance term; or by single payment.

DIVIDENDS.

All Whole Life and Endowment Policies, issued at the published rates, will participate in the surplus from the date of issue.

The dividends will be declared and paid annually upon the contribution plan, and may be applied as the assured shall elect, either to reduce future premiums, or to increase the Cash Value of the Policy.

If no election be made, the dividends will always be added to the Cash Values

When, by adding the dividends to the Cash Value, the accumulations on any Policy shall have become sufficient to keep the same in force for its *full amount*, without further payments, the assured may at his option, either continue payment of premiums—and enlarge thereby the annual additions to its Cash Value—or discontinue them; and in either case, when the accumulations shall have become equal to the sum insured, the annual dividends on the Policy will be declared as a percentage of said sum, and *paid in cash*, and upon surrender of said Policy the sum insured thereby, will be paid in *full*, without regard to the time fixed therein for its payment.

This system of applying the dividends is peculiarly advantageous to the assured, securing, at an increased age, not only relief from further payment of premiums, but, at the same time, an annual income until death, unless he shall have previously received full payment of the Policy.

Dividends on paid-up Policies—that is, Policies which require no further payment of premium to continue them in force for the original amount of insurance—will be paid in cash upon demand.

NON FORFEITURE RULES.

No Whole Life or Endowment Policy, on which two or more annual cash premiums have been paid, shall be forfeited by failure to make further payments, as stipulated therein, but will continue in force for the full amount which the Cash Value and dividends then accumulated, will purchase, taken as a single net premium, upon the "Actuaries" rate of mortality and four *per cent.* interest; and the amount continued in force will generally exceed the aggregate of the payments actually made, extra charges excepted.

No Whole Life or Endowment Policy shall be forfeited by an exposure of the assured life in violation of the conditions expressed therein, unless death shall occur UNDER OR IN CONSEQUENCE of such exposure, when the full Cash Value of the Policy, together with all accumulations from dividends, will be paid upon its surrender.

INCREASE OF INSURANCE.

Applications to increase the sum insured on any life will always be considered as applications for new insurance and, therefore, no increase of insurance will be granted unless the unimpaired condition of the assured life shall have been proved by medical re-examination.

COLUMBIAN COLLEGE, WASHINGTON, D. C.

THE SESSIONS OF THE SEVERAL Departments open as follows:

The PREPARATORY, September 9th; the COLLEGIATE, September 23rd; the THEOLOGICAL, October 7th; the LAW, October 14th; and the MEDICAL October 19th.

This College was organized with a reference to the oft urged suggestion of WASHINGTON, that a University, at the Federal Metropolis, would tend to the "assimilation of the principles, opinions and manners of our countrymen, by the common education of a portion of its youth from every quarter." Its graduates have verified the expectations of Madison and Monroe, that the facilities of hearing debates in Congress, arguments in the Supreme Court and Lectures from eminent men, and of visiting Libraries, and Collections in Science, gathered at this centre, would foster a comprehensive mental development.

The Preparatory School gives a thorough training for business, and preparation for College. The College proper has eight efficient Professors; all the Chairs being filled. The Theological School has three Professors and Lecturers; the Law School four, and the Medical ten. The expenses are as low as at other Colleges—Number of students the past year, 416. For Catalogues or further information, address,

VEGETABLE PILE OINTMENT.

TO THE PUBLIC.

FOR 25 YEARS I was sorely afflicted with the Piles. After trying every remedy I could hear of and failing to receive any benefit, in 1857, I discovered a remedy, purely vegetable, which effected an entire cure, and I have had no return of it.

Anxious to relieve the afflicted and to promote my own benefit, I made public my discovery and had the gratification to know that my remedy cured a large number of persons. My ointment was advertised in the public prints and I met with great success, until the war came on.

By the advice of friends, I have determined again to manufacture the OINTMENT and offer it for sale. Any number of certificates of its value could be obtained if necessary.

Price of box $1, and postage. (fifteen cents.) As soon as I can make arrangements, I will put it in the hands of the druggists of the State.

THE NATIONAL DEMOCRATIC CONVENTION!

THE PLATFORM.

"The Democratic party, in national convention assembled, reposing its trust in the intelligence, patriotism, and discriminating justice of the people, standing upon the Constitution as the foundation and limitation of the powers of the Government, and the guaranty of the liberties of the citizen, and recognizing the questions of slavery and secession as having been settled, for all time to come, by the war or the voluntary action of the Southern States in constitutional conventions assembled, and never to be renewed or reagitated, do, with the return of peace, demand:

First.—Immediate restoration of all the States to their rights in the Union, under the Constitution, and of civil government to the American people.

Second.—Amnesty for all past political offences, and the regulation of the elective franchise in the States by their citizens.

Third.—Payment of the public debt of the United States as rapidly as practicable; all moneys drawn from the people by taxation, except so much as is requisite for the necessities of the Government, economically administered, being honestly applied to such payment, and where the obligations of the Government do not expressly state upon their face, or the law under which they were issued does not provide that they shall be paid in coin, they ought, in right and in justice, to be paid in the lawful money of the United States.

Fourth.—Equal taxation of every species of property according to its real value, including Government bonds and other public securities.

Fifth.—One currency for the Government and the people, the laborer and the officeholder, the pensioner and the soldier, the producer and the bondholder.

Sixth.—Economy in the administration of the Government; the reduction of the standing army and navy; the abolition of the Freedmen's Bureau (great sheering) and all political instrumentalities designed to secure negro supremacy; simplification of the system and discontinuance of inquisitorial modes of assessing and collecting internal revenue, so that the burden of taxation may be equalized and lessened, the credit of the Government and the currency made good; the repeal of all enactments for enrolling the State militia into national forces in time of peace; and a tariff for revenue upon foreign imports, and such equal taxation under the internal revenue laws as will afford incidental protection to domestic manufactures, and as will, without impairing the revenue, impose the least burden upon and best promote and encourage the great industrial interests of the country.

Seventh.—Reform of abuses in the Administration, the expulsion of corrupt men from office, the abrogation of useless offices, the restoration of rightful authority to and the independence of the executive and judicial departments of the Government, the subordination of the military to the civil power, to the end that the usurpations of Congress and the despotism of the sword may cease.

Eighth.—Equal rights and protection for naturalized and native born citizens at home and abroad; the assertion of American nationality which shall command the respect of foreign Powers, and furnish an example and encouragement to people struggling for national integrity, constitutional liberty, and individual rights; and the maintenance of the rights of naturalized citizens against the absolute doctrine of immutable allegiance and the claims of foreign Powers to punish them for alleged crime committed beyond their jurisdiction.

In demanding these measures and reforms we arraign the Radical party for its disregard of right, and the unparalleled oppression and tyranny which have marked its career. After the most solemn and unanimous pledge of both Houses of Congress to prosecute the war exclusively for the maintenance of the Government and the preservation of the Union under the Constitution, it has repeatedly violated that most sacred pledge, under which alone was rallied that noble volunteer army which carried our flag to victory.

Instead of restoring the Union, it has, so far as is in its power, dissolved it, and subjected ten States, in time of profound peace, to military despotism and negro supremacy.

It has nullified there the right of trial by jury; it has abolished the *habeas corpus*, that most sacred writ of liberty; it has overthrown the freedom of speech and the press; it has substituted arbitrary seizures and arrests, and military trials and secret star chamber inquisitions for the constitutional tribunals; it has disregarded in time of peace the right of the people to be free from searches and seizures; it has entered the post and telegraph offices, and even the private rooms of individuals, and seized their private papers and letters without any specific charge or notice of affidavit, as required by the organic law; it has converted the American capitol into a bastile; it has established a system of spies and official espionage to which no constitutional monarchy of Europe would dare to resort; it has abolished the right of appeal on important constitutional questions to the supreme judicial tribunal, and threatens to curtail or destroy its original jurisdiction, which is irrevocably vested by the Constitution, while the learned Chief Justice has been subjected to the most atrocious calumnies merely because he would not prostitute his high office to the support of the false and partisan charges preferred against the President. Its corruption and extravagance have exceeded anything known in history, and by its frauds and monopolies it has nearly doubled the burden of the debt created by the war. It has stripped the President of his constitutional power of appointment even of his own Cabinet. Under its repeated assaults the pillars of the Government are rocking on their base, and should it succeed in November next, and inaugurate its President, we will meet, as a subjected and conquered people, amid the ruins of liberty and the scattered fragments of the Constitution; and we do declare and resolve that ever since the people of the United States threw off all subjection to the British Crown, the privilege and trust of suffrage have belonged to the several States, and have been granted, regulated, and controlled exclusively by the political power of each State respectively, and that any attempt by Congress, on any pretext whatever, to deprive any State of this right, or to interfere with its exercise, is a flagrant usurpation of power which can find no warrant in the Constitution; and if sanctioned by the people will subvert our form of government, and can only end in a single centralized and consolidated Government, in which the separate existence of the States will be entirely absorbed, and an unqualified despotism be established in place of a federal union of co equal States; and that we regard the reconstruction acts (so called) of Congress as usurpations, and unconstitutional, revolutionary, and void; that our soldiers and sailors, who carried the flag of our country to victory against a most gallant and determined foe, must ever be gratefully remembered, and all the guarantees given in their favor must be faithfully carried into execution.

That the public lands should be distributed as widely as possible among the people, and should be disposed of either under the pre emption or homestead laws, and sold in reasonable quantities, and to none but actual occupants, at the minimum price established by the Government. When grants of the public lands may be allowed necessary for the encouragement of important public improvements, the proceeds of the sale of such lands, and not the lands themselves, should be so applied.

That the President of the United States, Andrew Johnson, (applause,) in exercising the power of his high office in resisting the aggressions of Congress upon the constitutional rights of the States and the people, is entitled to the gratitude of the whole American people, and in behalf of the Democratic party we tender him our thanks for his patriotic efforts in that regard."

SEVERAL months ago, I purchased the entire stock of goods owned by BRANSON, FARRAR & CO., and continued the business, changing the name afterwards to Branson & Jones,—advertising myself as Proprietor and Mr. Branson as Agent for the N. C. Business Directory.—But as some persons seem, erroneously, to consider it a partnership, or to blend the interest of the former firm with my own I shall henceforth conduct the business under my own name alone, unless some partner should be taken hereafter. Mr. Branson will continue to be General Agent for the N. C. Directory, which will necessarily engage most of his time and attention.

I shall be pleased to furnish our friends and the public with BOOKS, STATIONERY, SHEET MUSIC and other articles in our line, at lowest cash prices.
